

5000IS

PROFESSIONAL STEAM IRON STATION

PRODUCT SPECIFICATIONS

PROFESSIONAL IRON STATION

The 5000IS is the #1 choice of professionals. It has become the industry standard for those seeking a high quality, mid size ironing station. The 5000IS establishes a new benchmark for features, ease of use, quality of components and value.

IT'S ALL ABOUT THE STEAM

The 5000IS excels at producing quality, dry, pressurized steam. Pressurized steam is the fastest and most efficient way of ironing. It allows the fibers of the fabric to be softened quicker, with the weight and heat of the iron laying the fibers down flat. This creates the crisp and clean finish demanded by professionals.

FEATURES

- Reset thermostat
- 4 safety systems
- Pressure gauge
- Quick release fittings
- Silicone iron rest
- 10-15 minute heat up time
- Up to 4 hours of continuous ironing

ELECTRICAL	120V or 220V
