

ARIA 200SP

LED DIGITAL STEAM PRESS

PRODUCT SPECIFICATIONS

AN ALL NEW WAY TO PRESS

The all-new Aria 200SP with steam extraction is the ideal choice for those looking for an alternative to conventional ironing. With a pressing area 10x the size of an iron, the Aria 200SP will quickly eliminate wrinkles and put a crease into the toughest fabrics.

SAVE TIME IRONING

With such a large pressing surface, the Aria 200SP will cut down on ironing time by as much as 70%. It's easy to use, just pull the handle down, press for steam, and leave in the closed position until the buzzer sounds. It's that simple.
