

# 2200SZ

SINGLE NEEDLE LOCKSTITCH ZIG-ZAG, DROP FEED

PRODUCT SPECIFICATIONS

## #1 ZIG-ZAG MODEL

The 2200SZ is the industry standard for light- to medium-duty zig-zag and straight sewing. 2200SZ's are used in homes, schools, for appliqué work, and in industrial applications.

## ONE MACHINE DOES SO MUCH

The 2200SZ owes its popularity to its versatility and ease of use. It will go from sewing numbers on a team jacket, to producing dancewear, to making dress shirts. And because it runs at a slower speed, it will do finer detailed work.
