Product Information

Best Compact sewing machine cabinet by Sylvia Design Sewing Furniture. Enjoy the wider design of the model 810 and the way it accommodates the larger sewing, quilting, and embroidery machines that are manufactured today. This cabinet is compact and easy to move with commercial grade locking casters. The hinges are flush mounted so your projects never get snagged and your centered right in front of the needle so your always in a comfortable position for sewing, even at long stretches at a time.

This cabinet also has the German made Rudersburg 3 position lift for raising and lowering your machine with ease. The machine can be lowered all the way to the bottom and the cabinet completely closed when not in use.

Increase the storage and surface area by adding the 490 drawer stack and/or the Quilter's Extension to the front. The choice is yours, add them now or later!
