<b>Shipping weight</b>	14.95 lb – 6.8 kg
<b>Product dimensions</b>	13" x 9" x 11.5"
<b>Shipping dimensions</b>	15" x 11.75" x 12"
<b>Country of origin</b>	Italy
<b>Electrical approval</b>	cETLus
<b>Warranty</b>	Limited 1 year, 3 years tank

### FEATURES

- Professional i30 iron with cork handle
- 4 safety systems
- 1500W electrical (iron and boiler)
- Low water light indicator
- Water level indicator stick
- 10-15 minute heat up time
- Rated for up to 4 hours of use per day

### PROFESSIONAL IRON STATION

The i300 is the perfect entry level ironing system for those looking for a compact, professional quality product. Using higher grade components including an all stainless steel outer shell, the i300 is the perfect choice for those looking for a robust, and simple ironing station package.

### IT'S ALL ABOUT THE STEAM

The i300 excels at producing quality, dry, pressurized steam. Pressurized steam is the fastest and most efficient way of ironing. It allows the fibers of the fabric to be softened quicker, with the weight and heat of the iron laying the fibers down flat. This creates the crisp and clean finish required by professionals.

**Smart. Professional. Reliable. Since 1955.**
