

Four DLR

► Specialty Serger

Serge Like You Sew

Ensure stable sewing results with the Four DLR's lay in tension system, similar to that used in a sewing machine. This two-needle, 3 or 4 thread overlocker, stitches at up to 1300 stitches per minute (SPM) giving you a professional finish fast! Use the differential feed to gain increased control over the most difficult types of fabric and explore creative serging techniques.
