

3000IC

THREE NEEDLE COVERSTITCH SEWING MACHINE

PRODUCT SPECIFICATIONS

COVERSEAMING MADE EASY

For applications that require a cylinder bed, the Reliable 3000IC produces a quality hem or coverseam finish at an attractive price. The 3000IC features a built-in 550W servomotor that generates powerful torque to get the job done.

VERSATILITY

The 3000IC offers hemming or coverseaming with 3 needles with a true interlock look or alternatively by removing the middle needle you can have a 2 needle hem. With the 3000IC, the choice is yours.
