

8000BS

AUTOMATIC CHAINSTITCH BUTTON SEWER

PRODUCT SPECIFICATIONS

SEWS BUTTONS... FAST

There's no need to sew a button by hand or with a manual machine when you have the speedy 8000BS chain-stitch button sewer. It sews a 2 or a 4-hole button and is suitable for apparel production, dry cleaning and laundry applications.

QUALITY YOU CAN COUNT ON

For sewing buttons on all types of garments, the 8000BS with automatic thread trimmer, button line selector and an 8 or 16 stitch setting adjustment offers the whole package. Low noise and vibration design, and outstanding build quality; made in Taiwan.
