SMALL CYLINDER LOCKSTITCH, WALKING FOOT

For medium to heavy weight fabric that requires a small cylinder bed (47 mm diameter) or where binding is being done, we recommend the MSK-335B with top and bottom feed and vibrating binder fittings.

QUALITY YOU CAN COUNT ON

For sewing leather, upholstery, canvas, and synthetics, the MSK-335B with vibrating binder (to eliminate the "roping" effect) offers the whole package. Low noise and vibration design, outstanding build quality and reliability and the industries #1 DC servomotor.

FEATURES

- Large 1.4 capacity Hirose® hook
- Safety clutch
- SewQuiet DC servomotor, and ÜberLight LED light
- Heavy-duty K-legs and table
- Instruction/parts manual included
- Tool kit, drawer and thread stand included
- Individually tested and sewn-off before shipping

Smart. Professional. Reliable. Since 1955.
