### 3-4 THREAD SERGER

For joining two or more plies of fabric together (3 or 4 threads), or for "overedging" (3 threads), the MSK-3314N is a machine with a lot of versatility. It produces a soft seam, even at high speeds, and is suitable for light to medium weight fabrics.

### QUALITY YOU CAN COUNT ON

For sewing all kinds of woven and knit fabrics, the MSK-3314N-CF7-40H with differential feed, stitch length regulator and fully automatic lubrication offers the whole package. Low noise and vibration design, outstanding build quality reliability.

### FEATURES

- SewQuiet DC servomotor
- ÜberLight LED light
- Heavy-duty K-legs and table
- Instruction/parts manual included
- Tool kit, drawer and thread stand included
- Individually tested and sewn-off before shipping

Smart. Professional. Reliable. Since 1955.
