

VIVIO 100GC

PROFESSIONAL GARMENT STEAMER

PRODUCT SPECIFICATIONS

FLOOR STANDING PROFESSIONAL STEAMER

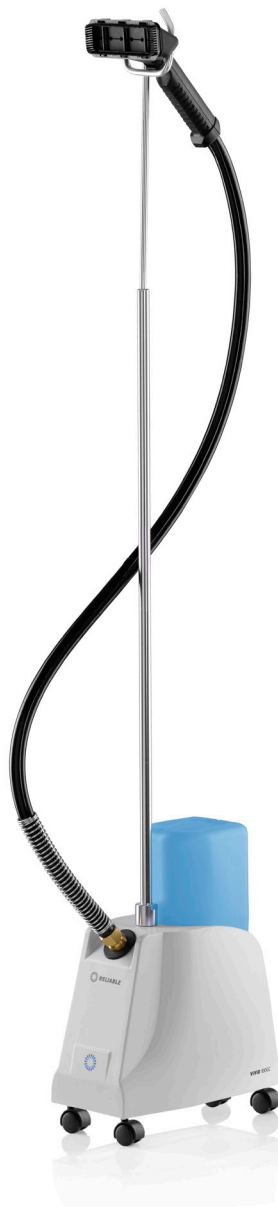

The Vivio 100GC is a floor standing model that stores easily in a corner, out of the way, until it's needed. Using a simple "flow through" design, in less than a minute it creates volumes of steam for freshening up your clothes.

FAST, EFFICIENT & EFFECTIVE

The steam works by softening the fibers, allowing the fabric to relax. Wrinkles quickly disappear, leaving a finished and attractive look to your clothes. Used by clothing retailers and discriminating consumers, the 100GC is a staple for any serious fashionista.
